## X-Top SLIMLINE (20-dx) 12-SCREEN CUSTOMIZED DESKMOUNT

9X Media's Customized X-Top Multi-Screen desk-mounted with 20" SlimLine LCD screens

9X Media X-Top desktop Multi-Screen systems and X-Wall Video Walls are easy to assemble and readily customizable to meet unique and demanding visualization needs.

This X-Top is configured in a four-by-three array and can easily scale to support additional rows and columns.

9X Media SlimLine digital LCD screens provide high-performance, multiple inputs and slim bezels for the ultimate multi-screen experience. Screens shown are the SlimLine 20-DX LCDs.

### 9X Media's Customized Desk-Mounted X-Top Multi-Screen Display for the Army Corps of Engineers

This X-Top was custom designed for the Army Corps of Engineers to monitor status on a series of dams. This mission critical information is shown on individual screens as well as a combination of screens in the integrated multi-screen display.
